

JOB DESCRIPTION

Job Title: Java Developer
Location: HQ, Howbery Park, Wallingford, Oxfordshire.
Responsible to: Software Development Team Leader
Reason for Vacancy: Extra Headcount to Expand the Team

The Role:

Working on a rapidly growing multi-tenanted Java SaaS web application, responsible for:

- Architecting and implementing new features
- Integrating with internal and external systems through web services
- Researching and deploying the latest technologies and frameworks
- Working with the design team to create a cutting-edge UX
- Working with the support team to investigate and resolve issues
- Working with project management to review and implement specifications
- Working with the infrastructure team to evaluate system resource requirements

Technologies you will be using:

- Java 8 / Kotlin
- JavaScript, HTML5, CSS3, Ajax, Angular
- Spring, Hibernate and other open source frameworks
- REST/SOAP web services using CXF
- Jenkins, Mercurial, Git, Jira, FishEye, IntelliJ, JRebel
- Linux, Docker, Kubernetes, Apache Tomcat, Apache Solr, MySQL

What you need for this position:

- UK Computer Science (or related) University Degree
- At least 1 year Java development experience
- Good knowledge of Java
- Good knowledge of SQL
- Understanding of web technologies knowledge including CSS, HTML, JavaScript, Ajax and JSP

Personal Skills Required:

- Enjoys writing code – perhaps has projects outside of work or studies
- Willing to learn and grow by learning new technologies
- Enthusiastic - keen to pick up new technologies and work with other team members to solve problems and create solutions
- Good communication skills – able to discuss requirements, problems and solutions with other team members

Salary and Benefits:

- Permanent full time role – Monday to Friday 9.00am – 5.30pm
 - 3 month probationary period
 - Flexible working arrangements can be agreed after passing probationary period
 - Salary dependent on experience – circa £30k - £50k
 - 25 days holiday per annum
 - Automatically enrolled onto Company pension scheme after 3 month qualifying period, with employee contributing 3% of monthly salary and GTI will match employee contributions up to a maximum of 5% of monthly salary.
 - Enhanced paternity and maternity policies, childcare vouchers and life assurance cover

- **About GTI**

Website: www.groupgti.com

When GTI was formed 30 years ago, our mission was simple: to help organisations recruit top early talent, while providing students with the best resources possible to make successful decisions about their future. Today, we are the UK and Ireland's leading provider of graduate and school leaver recruitment services for employers looking to attract and recruit the most talented and engaged students.

Through our brands: TARGETjobs, TARGETcareers, TARGETconnect, TARGETrecruit and gradireland we provide access to top-quality students through an unbeatable series of media products and databases. We also support companies recruiting early talent with market-leading products and services including student research, employer branding, candidate sourcing, recruitment process outsourcing (RPO) and application tracking systems (ATS).

For schools and higher education institutions, we offer unique support and partnerships to help their students make more informed career decisions through careers guidance programmes, database software solutions and postgraduate resources.

Our targeted multimedia careers resources for students and school leavers include the UK's largest graduate jobs website, the most-read careers publications on campus, and industry-renowned events designed to improve work-readiness. It is because of this reach that we have well over a million registered university students and school leavers on our database.

Through experience working alongside over 3,000 corporate and academic clients and with operations across Europe, Asia-Pacific, North America and beyond, we are proud to offer the very best products, resources and services at every stage from education to employment.
