

JOB DESCRIPTION

Business Area: IT Development
Location: Wallingford
Job Title: Junior PHP Developer
Reporting to: Software Development Team Leader

The Role

GTI Media is looking for a junior developer to join an exciting media development team with an excellent opportunity to grow and learn. The developer will be working with an experienced team to maintain and deliver new features on our enterprise media platform.

Work will involve:

- Supporting and maintaining our enterprise based media platform
- Working on integration with middleware services using REST APIs
- Working on the next generation media platform microservices running in Docker

Technologies you'll get to learn:

- PHP & Drupal
- Jenkins, Mercurial, Git, Jira, FishEye, PHP Storm
- Symfony 4 PHP framework
- Ionic & Cordova app frameworks
- Apache HTTPD, memcache, varnish, nginx, opcache,
- MySQL and Apache Solr
- REST APIs
- Linux, Docker, Docker Swarm, and Kubernetes

What you need for this position:

- UK computer science/software engineering degree
- Desirable to have up to 1 year of practical work experience using PHP

Personal Skills Required

- Enjoys writing code – perhaps has projects outside of work or studies
- Willing to learn and grow – unphased by learning new technologies
- Enthusiastic - keen to pick up new technologies and work with other team members to solve problems and create solutions
- Good communication skills – able to discuss requirements, problems and solutions with other team members

Other Information

- Permanent role, full time 37.5 hours per week – Monday – Friday 9.00 – 5.30, with an hour break for lunch
- 3 month probationary period
- Salary dependent on experience – circa £28K - £30k
- Flexible working environment
- Training for continued professional development
- Automatically enrolled onto Company pension scheme after 3 month qualifying period, with employee contributing 5% of monthly salary and GTI will match employee contributions up to a maximum of 5% of monthly salary
- Initial 25 days holiday per annum plus bank holiday, rising by 1 day per year
- Enhanced maternity/paternity policies and life assurance cover.
